The Government's obligation under this order is limited to the amount required to fund operations during the period covered by the current or subsequent continuing resolution(s). Such limitations shall continue until final fiscal year 2012 appropriations are enacted and allocated to the program(s) funding this order. In the event that a continuing resolution is not extended before a permanent appropriation is enacted, it may be necessary to cease performance under this order, unless it has been determined, and notification is given by a cognizant Contracting Officer, that all or part of these services are essential to the safety of human life or the protection of public property, in accordance with the emergency provisions of the Anti Deficiency Act (31 USC 1342). In the event that final appropriations will not cover the total obligation(s) under this order, a modification will be issued to reduce the obligation(s) to available funding. ^^
